Deputy Mayor Pro Tem Bobbitt Appointed to National League of Cities Committee

ROWLETT, TEXAS-- Deputy Mayor Pro Tem Debby Bobbitt has been appointed to the National League of Cities (NLC) 2018 Transportation and Infrastructure Services federal advocacy committee! This committee has the lead responsibility for developing NLC’s federal policy positions on issues involving transportation, including planning, funding, safety and security of public transit, streets and highways, aviation, railroads and ports.

“After having worked with the transportation community for the past several years, I have learned transportation at all levels including county, state and/or federal, has a profound impact right here at home in Rowlett,” says Deputy Mayor Pro Tem Bobbitt. “This includes funding, planning and implementing studies, as well as bringing a rail, highway, street or alley project to fruition! My participation in and with the National League of Cities, Rockwall County Consortium, TxDOT, the North Texas Council of Governments and TEX 21 project have illustrated that this committee will have not only local, but national impact.”

Serving on an NLC committee is one of the most effective ways for a local official to advocate for their community in Washington. As a committee member, Deputy Mayor Pro Tem Bobbitt will play a key role in shaping NLC’s policy positions and advocate on behalf of America’s cities and towns before Congress, with the administration and at home! Debby will join a team of leaders from around the country working to solve the most pressing challenges facing local communities.

The National League of Cities (NLC) is dedicated to helping city leaders build better communities. NLC is a resource and advocate for 19,000 cities, towns and villages, representing more than 218 million Americans. For more information on NLC’s federal advocacy committees, visit: www.nlc.org/advocacy/committees.
